Blue Jean Drive

This week our school is participating in a blue jean drive to help Habitats for Humanity. The blue jeans will be used to insulate homes in the community to help people who need to build or renovate their homes. 500 pieces of denim will insulate 1 home and by donating you help keep denim out of landfills. Every team leader will have a box in their classroom that you can put your donated denim in when you bring it. The blue jean drive will end October 26th.

No Referral Challenge!

Our school is currently having a “no referral challenge” for a fun incentive. If you don’t get any referrals between fall break and November 2, you will be rewarded the afternoon of November 5. Try to be on your best behavior so you can have free time with your friends!

Weekly Schedule

Week of 11/12

Monday-

- Girls basketball at Olmstead 5:30 pm

Tuesday-

- No scheduled events

Wednesday-

- Picture Retakes

Thursday-

- Girls Basketball vs Moss 5:30 pm

Friday-

- No scheduled events

South Warren Sports

Volleyball Teams Bring Home 2 Championships

On Friday October 12th both of our volleyball teams made South Warren history by bringing home 2 volleyball championships. Our 7th and 8th grade teams were both undefeated in district play for the entire season. In the first game, our 7th grade team played a tough game in front of a roaring crowd against their rivals St. Joe. We started the game out great, winning the first set by 18 points. In the second set, the game was tied and St. Joe responded to the first set with 3 aces that set our score too far back. In the 3rd set, outside hitters Claire Stinson and Meredith Woods had 5 kills each, getting us a lead and bring the 7th grade team a championship. Our eight grade team was excited for the 7th graders but also wanted a championship of their own. They played a tough game against the Bowling Green Purples, winning the first set quickly. But the Purples showed that they also came to play, getting an early lead and winning the second set. In the third set, the Spartans were ahead with the score being 22-18 and they brought out 7th grader Nina Vespa to serve the Spartans to victory!

South Warren Sports

Football Season Comes to an End

This season our Spartans worked very hard on and off the field to bring the 7th grade a final record of 6-4 and the 8th grade a final record of 4-6. Both teams made it to the playoffs this year. On Saturday October 13th the 7th grade faced Edmonson County, and the 8th grade faced Daviess County. Unfortunately both teams lost in the first round. We're all still very proud of how both teams have improved this season.

Basketball Teams Off to a Start

A couple weeks ago both our girls and boys basketball teams held tryouts. Recently they've started practice and began the hard work to lead off to a great season. The following students made the 2012-2013 basketball teams:

7th Grade Girls:

Sydney Cassady, Rachel Chapman, Bailee Collins, Madilyn Daugherty, Sarah Dennison, Peyton Ferry, Kaitlyn LaSala, Kaitlyn Lewis, Jordan McDonald, Emma Mills, Brooke Stevenson, and Ashely White.

8th Grade Girls:

Zayana Bailey, Brooke Bush, Katie Conley, Caroline Cowles, Augusta Crowe, Kimmie DeGroot, Brenna Greene, Sara Ortiz, Deanna Taylor, and Logan Willis.

7th Grade Boys:

Kyle Allen, Eddie Bahic, Kenton Blick, Aaron Cassady, Brock Cleary, Colton Embry, Hunter Evans, Gage Haggerty, Austin Howard, Cannon McDaniel, Colin Moore, and Adam Smiley.

8th Grade Boys:

Luke Bailey, Dylan Beckham, Spencer Cassady, CJ Hayes, Zach Haynes, Kirtley Lawrence, Ryder Litten, Austin Pollard, Jaxson Smith, Josh Vincent, Tyler Vincent, and Jordan.

Soccer:
(Girls JV): 13-10
(Boys): 19-12

Volleyball:
65-8

Explore Testing Results Back

On Monday, October 29 all of our 8th grade students got their explore testing results back. Your Explore test results tell you whether you meet the benchmarks needed to be successful in high school. They also tell you if you are prepared to take the PLAN test in 10th grade and the ACT in 11th and 12th grade. After the students got their scores back, they went to the auditorium to hear Mr. Brown speak about the importance of taking school seriously now in order to be prepared for high school and college. They also took a survey that gives the school information on how kids are taking action now in order to be prepared for their future. There will be a college and career readiness night for students and their parents on Monday, November 19.

Fun In Geometry Class

Mrs. Lemilys geometry class has been doing a project that they will work on and add on to throughout every unit in class. This unit they learned about transformations and have started making floors for a 4 foot by 3 foot school that they will finish by the end of the year. For the floor of the school, students broke up into groups of three and designed a floor entirely of triangles using the program Google Sketch Up. They then printed out their design on 1 ft by 1 ft paper. Mr. Johnson helped them to etch each groups design in clay and to glaze the design using the colors black, aqua, and red. We can't wait to see how the finished product will look!

Did You Know...?

Fun Fact of the Week

The average person has over 1,460 dreams a year.

South Warren Takes Part in Mock Election

This Tuesday our school participated in the largest virtual mock election in the nation. It is put on by the University of Virginia Center for Politics. Students went to the library a class at a time, registered, and entered their "ballot" after they had voted. The results will be announced soon.

Thumbs Up For Lane

Lane Goodwin was a 13 year old boy from Beech Grove, KY who was diagnosed with a rare form of cancer at age 10. Lane was in remission briefly but he relapsed again on May 8, 2011. People from all across America showed their support by posting pictures of themselves giving a thumbs up for Lane. Lane passed away on October 18, 2012 at 7:53 pm.
